

# June 28-July 3, 2020

**LIVESTOCK SCIENCE  
CAMP**

**NC STATE** ANIMAL SCIENCE

- **Do you enjoy Biology, Nutrition, Chemistry, Genetics, Physiology, or Health?**

- Are you considering a career in a **STEM** field but just don't know what options exist?
- Would you like to explore the science of animals?
- Do you want to experience what life at NC State is like?
- Are you willing to try new things and work with animals?
- Will you be between 14-17 years old in June 2020?
- If you answered **YES**, then the **NC State Livestock Science Camp** may be just the thing to do next summer summer!

Information available at:
